

The Friends of the Sayreville Public Library

The Friends of the Sayreville Public Library were founded in 1999. Our mission is to promote philanthropy and advocate education through service to the Sayreville Free Public Library and its community by offering financial and programming support. Money is raised throughout the year with various fundraisers, which includes our successful book sale. The Friends active patronage focuses on Library enrichment programs in the Sayreville school system and occasional adult curriculum. We also generously contribute funds to the library for the purchase of new materials.
